

Welcome!

VerDuS SURF Pop Up Meeting 2019

Results first call 2017
Kick off call 2018

Utrecht, 1 April 2019

Knowledge Communication (1)

Please:

- be available for dialogue with urban regions and with (national) policies and governance
- make your results accessible to a broad professional audience through practical publications (and / or a video!)
- if possible: have a (simple) project website (>> URL?)
- make it clear that the research was made possible by VerDuS SURF

Knowledge Communication (2)

Keep VerDuS (Ymkje) informed about:

- promotion dates
- public activities aimed at a professional audience
- professional publications (in professional journals, etc.)
- other topics about which VerDuS could publish news items

Projects are offered the following:

- advice and support (video workshop!)
- platforms: www.verdus.nl, the congresses, contacts with the professional media, the individual channels of the affiliated organizations (NWO, Platform31 etc.) and so on
- accessible overviews of the SURF projects on the website
- interviews and articles on the website
