

Ronde tafel R-LINK

The following was discussed with the participants.

* How to organize dialogue with communities?

- Living labs at a city level:
 - Upscaling
 - Social Inclusion >> find technology that connects with different groups
- Marineterrein
 - Involve citizens:
 - Citizens look to project team
 - Project team looks to municipality
 - Diversity problem

* Subsidiarity:

- Ministry will not intervene
- What are the best cases?

* Connect R-LINK to Omgevingswet

* Ministry-people are going to attend the workshops
